

Let's go Home!

Haven House Quarterly Newsletter – Summer 2025

May brought a wave of positivity as five families found the stability of permanent housing! To support their transition, each family receives continued case management for up to 14 months through our aftercare program called Partners in Progress (PIP), along with an exit package filled with donations of cleaning supplies, hygiene products, and essential household items—everything they need to begin their next chapter. On one of the moving days, a single mother of two boys made several trips from Haven House to their new home, her car packed to the brim with generous donations from the community. As they prepared for their final trip, she looked at her youngest child and said, "It's been a long time since we've been able to say this... let's go home."

Thanks to compassionate community members like you, we're able to continue being a safe haven for families facing homelessness. Your support allows us to guide them on their journey from crisis to stability. Together, we're building a brighter, more hopeful future for children and families in need.

See what's happening at Haven House:

SAFE SPACE TO REBUILD

Since October 1st, we have sheltered 40 families—71 adults and 104 children. We're proud to share that 19 of these families have already moved into homes of their own.

"The program at Haven House makes people accountable for their future."
-Partners in Progress (PIP) client

"I don't know what I would have done without Haven House and their help to get me into housing. I make enough money to pay rent but couldn't come up with a security deposit."
-Outreach client

Homeless

HAVE-A-HEART FOR THE HOMELESS CAMPAIGN

It's back! Our Have-a-Heart for the Homeless campaign is returning this July–August 2025! Before the pause in 2020, the Greater Lansing community showed incredible heart by supporting homeless families through this initiative. Every \$5 donation earns a paper heart with your name, proudly displayed by local businesses throughout the campaign. Let's bring that energy back and make a difference—one heart at a time.

JOIN MONTHLY GIVING CLUB

If you want to make a lasting difference, consider joining our Monthly Giving Club. It's a simple act—one you set up once, like a subscription—but it has a powerful, ongoing impact. While you may set it and forget it, your monthly gift continues working behind the scenes, providing families with consistent, reliable support all year long. Just \$25 a month can help meet urgent needs and create lasting change for those in shelter.
